

## **Testa Receives Endorsement of Building Trades Council**

***Affiliated with AFL-CIO and represents 36 individual units with over 35,000 workers***

**For Immediate Release: September 28, 2009**

John G. Testa, candidate for Westchester County Legislator for District 1 received a major endorsement from the Building and Construction Trades Council of Westchester and Putnam Counties. The Trades Council is affiliated with the AFL-CIO has 36 affiliated organizations and represents over 35,000 construction workers.

“As Mayor of Peekskill John always supported the working men and woman of our organization and we are pleased to have the opportunity to work with him again,” stated Edward Doyle, President of the Building Trades Council.

“This is a major endorsement and I am grateful for the support of the Trades Council,” stated Testa. “These groups represent the hard-working middle class values and skills that have built this nation and who are constantly under attack by high taxes and a struggling economy. I cannot thank them enough for having the confidence in me to become their next County Legislator,” Testa added.
