PEEKSKILL, NY—Drawn in by this City’s welcoming environment and growing economy, “Best Laundry” plans to succeed by offering superior service and excellent facilities, says owner Mohammed Salameh.

Located at 829 Washington Street, Best Laundry has invested in high quality equipment and is taking pains to make certain its facilities are clean and well run, Salameh says. “It’s very clean and sparkling,” he says.

840 Main Street, Peekskill, NY 10566 (914) 734-4105

A 15-year Peekskill resident, Salameh decided to open a business in the City because of the friendliness of its citizens and the success of the community's revitalization efforts. "It's a place you want to be in. There's a lot of potential, and the people are nice," he says.

"Small businesses are the backbone of America's economy," says Mayor John Testa. "It's always great to see another entrepreneur expressing confidence in our city by opening a new business." Testa is scheduled to attend the ribbon cutting, which will take place at 4:30 p.m. on Aug. 19 beginning at 4:30 p.m.

To celebrate its opening day, Best Laundry is giving away balloons to children, offering half-price washes and half price on full-service laundry, and raffling off a TV set, Salameh says. "We intend to provide the best service in Peekskill," he says. "We have well working machines and professional staff waiting to assist in any manner," he says.

Besides its 30 washers and dryers, Best Laundry also offers wash and fold service and alterations and tailoring. It also plans to sell New York State Lottery Tickets. Hours will be from 6:00 a.m. till midnight. Best Laundry has five employees; three full time and two part time.

To make its facilities more convenient and comfortable, Best Laundry offers television, air condition, a professionally landscaped exterior, and abundant parking, Salameh says. "We have big screen TVs, we have arcades, we have snacks," he says. "You can sit down with your kids and it will be safe and fun," he says.

For more information, call Mohammed Salameh at (914) 497-4174.
