

CITY OF PEEKSKILL MULTI-PURPOSE BALL FIELD CONSTRUCTION ON FIELD MAKING PROGRESS

A shot from the right field line show that the clubhouse is nearing completion on the Louisa St. site. The light towers are installed for night play and the sod and field will be installed over the next several months. Teams will be playing on the field this fall.

A side view of the clubhouse with a view of the Hudson River in the background. The clubhouse is handicapped accessible and has a walkway extension from Louisa St.

Construction continues on the handicap ramp which extends from Louisa St. to the rear of the clubhouse. The clubhouse will be used for concessions as well as meetings and other related matters. There is also an on-site parking lot over the right field fence.
